Functional and stylish fluorescent softshell jacket in modern cut, which is wind and water-repellent. The jacket has fleece on the inside and in the collar, making it feel soft and comfortable on the skin. Stretchable quality that provides comfort and movement. Reflector zip in the front. Two spacious side pockets and breast pocket - all with zip. Two large inside pockets with Velcro closure. The jacket has an elastic hem at the bottom. The sleeves have an extra storm cuff in an elastic material. The storm cuff has a hole for the thumb and can be pulled over the hand to further protect from the cold. Reflectors across the shoulders and around the sleeves and waist. Class 2. Tested after 25 machine washes.
