Wash:

ENGEL's SAFETY+ bib overalls are the ultimate overalls for you if you have a job that places uncompromising demands on your safety. These overalls are ideal for all welders, electricians and those who work in the petrochemical industry, among others. With bib overalls from the SAFETY+ collection, you are highly visible, protected from flames and experience ultimate comfort. The fluorescent colours and hi-vis material, together with the certified reflectors on the legs, guarantee that you can be seen. The antistatic effect gives you effective protection from arc flash, while the inherent flame-retardant material protects you from embers, flames and chemical liquids, among other hazards. For work environments requiring class 3 clothing, you can simply combine these bib overalls with a SAFETY+ winter jacket (item no. 1321-188). The SAFETY+ bib overalls offer uncompromising safety and protec
