Wash:

The hi-vis ENGEL SAFETY+ boiler suit is suitable for all occupations where high demands are placed on visibility and safety. You are guaranteed visibility with fluorescent colours and numerous certified reflectors. This boiler suit is made of flame-retardant antistatic material, which gives you full protection against flames, chemicals, molten metal splashes, arc flash and welding sparks. The concealed buttons and zippers also help to protect any components you work with from becoming scratched or scuffed. This boiler suit offers an exceptional fit, with adjustable cuffs and adjustable knee pockets to allow you to position the pads according to your height.

- High collar for neck protection
- Concealed zipper and Velcro closure at the front
- Velcro adjustment at the cuffs
- Ruler pocket
- Ergonomically shaped knees for better mobility
- Two adjustment options for knee pads
- Smart, functional pocket details and seams to prevent embers from getting lodged
- Flame-retardant reflectors
- Inherent flame-retardant fabric, even after washing
- Suitable for industrial laundering
- Class 3 clothing
- ELIM 9,8 cal/cm²
