SAFETY Softshell Vest

10 38 47

Size: XS-S-M-L-XL-2XL-3XL-4XL-5XL-6XL

Shell fabric: 100% Polyester (recycled), 320 g/m²
100% Polyester (recycled)

Wash:

Functional and stylish fluorescent softshell vest in a modern cut, which is wind and water-repellent. The vest has fleece on the inside and in the collar, making it feel soft and comfortable on the skin. Stretchable quality that provides comfort and movement. Tool strap on both sides and buttons for quick and easy fitting of hanging tool pockets
(9360-316). Reflector zip in the front. Two spacious side pockets and breast pocket - all with zip. Two large inside pockets with Velcro closure. The vest has an elastic hem at the bottom and armholes. Reflectors across the shoulders and in the waist. Class 1. Tested after 25 machine washes.
