These ENGEL SAFETY shorts are designed for comfort, flexibility and practical performance in warm working conditions. The 4-way stretch fabric and elastic at the back of the waist ensure a secure fit and unrestricted movement throughout the day. Multiple functional pockets, including a reinforced ruler pocket, keep tools within easy reach, while buttons allow quick attachment of hanging pockets and a D-ring adds convenience. Hidden button closure helps protect surfaces and segmented reflective strips improve visibility in low light. Certified as Class 1 high-visibility clothing.
