The long-sleeved hi-vis ENGEL SAFETY T-shirt is a durable and comfortable T-shirt that is ideal for warm working days and visibility is key. The long-sleeved SAFETY T-shirt has a comfortable modern fit and is made from lightweight, temperature-regulating, sweat-absorbing material. This makes the long-sleeved T-shirt an ideal option for days when wearing a jacket is too warm, but you still require clothing class 2 visibility. It is available in several fluorescent colours, to easily match your workplace requirements. It also features stripes of printed reflectors, to keep the wearer visible at all times.

- Printed reflectors for increased visibility and comfort
- Breathable lightweight fabric
- Sweat-absorbing fabric
- Temperature regulating
- Viscose (bamboo) on the inside
- Class 2 clothing
